

AVA'S ART

PROJECT

BY AVA LOWGARRET

Ava just got home from school. She has
to make an art project to take to

school tomorrow.

Ava is just about finished with her art project.

She asks her mom to help her write down her name.

She can't wait to show

her friends at school.

Ava is getting ready for school. She packs up her lunch and puts it in her backpack. Then she goes outside, waits, and gets on the bus.

Ava is on the school bus. She can't wait
to get to school. She asks her classmates

"What are you going to have for the art project"?

Ava arrives at school and asks her teacher

"When will we be showing our

art"? Her teacher says

"After we do science

and math."

It's finally time to show off
the art projects. Ava wonders

what her class has

made.

Liam shows the class a picture he made of a colorful ball. Sophia drew her family. And Archer made a beautiful collage just like Ava, but his was mostly green.

Ava shows off her collage. She is so excited
to show the class her art because she made

a collage of stuff. Everyone loves Ava's art

project. The end.
